Regatta Director (price on application)

Regatta Secretary (price on application)

Safety Warden (as per required Safety Management Plan)

Facility cleaning (toilets)

Catering

Additional tents (for bow numbers etc.)

Overnight security (Boat Shed Precinct, Morell Reserve, Richardson Reserve, South Bank)

Portable Toilets

TOILETS AT REGATTAS

The spectator reserve (Morell Reserve) at the Barwon River rowing precinct has 5 public toilets. The toilets are not cleaned or serviced by the City of Greater Geelong on regatta days.

The Corio Bay Rowing Club, Geelong College and Geelong Grammar usually have some toilets available for visiting oars-people. (This only occurs when those clubs are actually competing at the regatta). Toilet facilities are generally not available at the Barwon Rowing Club.

In the past, when mobile toilets have been provided at regattas at the Barwon River, competitors have generally chosen to use club facilities. This is not preferred as the club facilities are private facilities and are costly for stocking (of toiletries and for cleaning and maintenance).

The GRA can arrange for the toilets to be serviced and cleaned at the above clubs and the public toilets for **\$230 per day**. The GRA offers this in order that regattas at the Barwon River which the GRA does not run, can provide acceptable toilet experiences, that do not reflect badly on rowing regattas on the Barwon River. It also means that the above Clubs do not have to clean and service toilets from their membership fees.
